

# **2010 Texas Adventure Ride (TAR)**

## *Dirt, Sweat, & Gears – Adventure is calling*

**April 15 - 18, 2010**  
**Junction, TX**

**The Texas Adventure Ride (TAR) is a 4 day dual sport adventure ride & rally that occurs in April in Junction, TX. All motorcyclists are invited to attend.**

The Texas Hill Country and west Texas are full of great motorcycling roads. In addition to being famous for its twisties, the Texas hill country also has some excellent dual sport roads. West Texas is no slouch in the roads category either, offering miles and miles of wonderful paved and unpaved roads and remote & scenic terrain.

Junction, TX is an ideal location for the rally. Its location provides easy access to lots of great dual sport riding, it is large enough provide all the necessary resources for a rally (motels, restaurants, and other services) without being too large & full of other vehicles, it's not so far away from east and north Texas that riders from those areas can't realistically make the drive in one day or less, and it's not overrun with tourists driving up prices or clogging the motels, restaurants, and roads.

In short, this part of Texas provides the motorcyclist with great motorcycling roads, more great roads than can be ridden in 3 days, and its not so far away as to require multiple travel days just to get there.
